MEMORANDUM FOR: Director of Central Intelligence  
VIA : Deputy Director of Central Intelligence  
FROM : William W. Wells  
Deputy Director for Operations  
SUBJECT : Approval of Representation Allowances  
25X1A  
REFERENCE : [REDACTED]

1. (AIUO) Action Requested: Paragraph 3 of this memorandum submits a recommendation for your approval.

25X1A 2. (C) Background: In accordance with the provisions of [REDACTED] I have attached schedules reflecting the proposed representation allowances for Fiscal Year 1978. A summary of all allowances requested is attached at Tab A, and the individual station requirements of each area division are listed at Tab B. The AF Division is opening two new stations in [REDACTED] and 25X1A has programmed \$1,000.00 for each of these. The EUR Division total of [REDACTED] is \$6,100 higher than in FY 77. However, this is due entirely to the accounting treatment required by the new regulations for expenses on behalf of the Chief of Station, [REDACTED] 25X1A Beginning in FY 78 all of his expenses will be charged to his representation allowance whereas in earlier years part of his costs were charged to station support. With the exception of the two new stations in AF Division, the actual costs in the divisions will be the same as in FY 77, although there have been some minor adjustments between stations.

25X1A 3. (C) Recommendation: It is recommended that the proposed schedule of maximum representation allowances in the amount of [REDACTED] 25X1A [REDACTED] approved for FY 1978. 25X1A [REDACTED]

APPROVED: [REDACTED]  
Director of Central Intelligence
